Services Australia Participant Withdrawal of Consent Form

The Economic and Personal Impacts of Genomic Testing in Pregnancy Study

I wish to WITHDRAW my consent to release my Services Australia information to the study effective from the date below. I request that the study handles the information they have collected about me in the following way (choose one option):

- DESTROY all information collected about me to date so it can no longer be used for research
- RETAIN all information collected about me to date so it can continue to be used for research

I understand that:

1. no further information about me will be collected for the study from the withdrawal date;
2. information about me that has already been analysed and/or included in a publication by the study, may not be able to be destroyed; and
3. choosing to withdraw my information from the study will not affect my access to Health Services or Government benefits.
